Sub: Report of Academic Audit Work 2020-2021

Sir,

The following points have been noted and suggestions have been extended accordingly:

1. All departmental Libraries should be expanded by increasing the stock of books according to latest CBCS syllabus.
2. The departments of History and Sanskrit are lagging behind concerning student admission despite of having qualified teachers. Those two departments are recommended to make a thorough introspective analysis of this issue and encourage students to take up these subjects in their undergraduate course.
3. The spoken English and spoken Sanskrit courses offered by the college should be made more attractive by incorporating audio-visual mode of teaching using the language lab.
4. All the departments should endeavour to increase involvement of students in co-curricular activities.
5. The institute should collectively take initiative to overall improve the academic performance of students by arranging special classes/remedial classes for slow learners.
