## Action Taken Report on Parents Feedback (2022-23)

The feedback forms for Parents were designed on the curriculum, infrastructure, and facilities available in the college. It consisted of ten question based on the curriculum, infrastructure, and facilities available in the college. First the feedback form were distributed and then collected again from the parents to judge the parameters mentioned in the feedback form. The feedbacks provided by the parents under this category have been analyzed and found more or less acceptable. It was better than the last year. No action as such is required as per the collected feedbacks. But it has been decided that the institution will continue to provide the facilities for the benefit of the Students and will provide extra classes. It was also resolved that the Academic committee should take necessary actions for enriching the academic excellence to provide them opportunities for burden free education. It is also resolved to organize Teachers-Parent meeting more frequently.
