Action Taken Report on Employers Feedback

The feedback forms for Employers were designed on the curriculum, reputation of the institution, Programme Outcomes, and relevance of the syllabus for job after being passed out from this institution. First the feedback form were distributed to different Employers like various Publishers for language and literature, Pachim Rarh I.O.S.C.K. for History etc. Then these were collected again from the Employers to judge the parameters mentioned in the feedback form. The feedbacks provided by the Employers under this category have been analyzed and found more or less acceptable. The Career Guidance Cell was suggested to make the students more familiar with different jobs. They were also suggested to invite different Employers to the college and organize seminars on this.
